DEATH'S GRIM HARVEST.

MRS. SARAH L. RICHMOND DIES SUDDENLY.

LEVI WALLING PASSES AWAY

Death's Scythe Cuts Down Mrs. Dwyer, Nathaniel Martin and Richard Titus.

Death has visited a number of homes in this city since the beginning of the new year. Among those who have passed away are Mrs. Sarah L. Richmond, Justice Levi Walling, Nathaniel Martin, Richard Titus and Mrs. Catharine Dwyer.

MRS. SARAH LEUTITA RICHMOND died rather suddenly of heart failure at her home, 59 Peter-on street, yesterday afternoon at 2 o'clock after an illness of but two days. She was about the house Saturday as well as ever, and on Sunday was taken ill so that she was unable to leave her bed. The following day she passed away. She was in her eighty-fifth year.

Mrs. Richmond has been a resident of this city for many years and was well known by its inhabitants. She comes of a historic family which was prominent during the Revolutionary period; its female members being among the society belles who were courted by the British officers. Among her acquaintances was Alexander Hamilton. Mrs. Richmond was the daughter of Michael Garrish, who had six children. She was born in 1814 at the Raritan Landing, where her father was a grain merchant and had a large mansion. The Landing was then quite a commercial centre.

She was twice married. Her first husband was Dr. Anderson, a Scotchman, whom she married on June 29, 1848. He died in 1852. They had one child, who died early in life. She was married to the late Henry Richmond on June 9, 1859. Soon after they moved on Paterson street, in this city, where Mrs. Richmond has since lived. She has one sister, Miss Julia Ann Garrish, the youngest member of the family, living, and also two nephews, Hoses Smith, of the Landing, and Carman Smith, of Trenton.

Mrs. Richmond was a member of Christ Episcopal Church. The funeral will be held Thursday afternoon at 4:30 o'clock from her late residence. Interment will be made in the cemetery of the First Reformed Church. Powelson & Co. have charge of the funeral.

JUSTICE LEVI WALLING.

Another sudden death was that of Justice Levi Walling, who passed away Sunday afternoon. He had been ill but three days and his unexpected death was a great shock to his family. Pneumonia was the cause of his death.

Mr. Walling had been a Justice of the Peace in this city for nearly five years and had but recently established an office on Schuyler street. Prior to his becoming a public official he was engaged in the shoe business. His early life was spent in New York city where he had a shoe

stores on Third and Sixth avenues for a number of years. He has resided in this city for seventeen years.

He married on Nov. 1, 1854, Miss Emma Sanger, who, with four children, survive him. They are Mrs. John M. Vail, Mrs. Charles C. Dollinger and Miss Anna and Frank Walling. The funeral will be held on Wednesday afternoon his late residence at 2 30 o'clock.

MRS. CATHARINE DWYER

Mrs. Catharine Dwyer, widow of the late John Dwyer, died this morning after a brief illness. Mrs. Dwyer was a well known member of the Parish of St. Peter's. She leaves three children, two sons and a daughter, Mrs. Morris Gibbons. The funeral will be in charge of Undertaker Martin and will take place from the residence of her son-in-law, Morris Gibbons, 101 Richardson street, on Friday morning at 8 30, and from St. Peter's Church at 9 o'clock.

NATHANIEL MARTIN.

Nathaniel Martin, one of the city's oldest residents, died at his home, at 73 Hassart street, on Monday, after a lingering illness. He was 92 years old. He worked originally for the Camden and Amboy Railroad and later was employed for many years by the Pennsylvania Rail-

road. He retired on a pension from the company.

He leaves a widow and one daughter, Mrs. Cornelius Van Anglen.

RICHARD TITUS.

Richard Titus, a well known and highly respected colored man, died at his home, 209 Hamilton street, on Monday afternoon after an illness of less than a day. He had been ill with diabetes, which developed an acute form at 3 o'clock yesterday morning. The best of medical attention was unavailing.

The deceased was the son of Mr. and Mrs. Thomas Titus, of Livingston Park, and was in the 37th year of his age. He had had charge of one of the Rutgers College Secret Society Chapter houses, for a number of years. He was a member of Covenant Lodge No. 17, Colored Masons, and of Raritan Lodge No. 2, G. U. O. of O. F. He leaves a widow but no children. His funeral occurs on Thursday afternoon from Mt. Zion A. M. E. Church at 1:45 o'clock.

GIRLS STRIKE.

Score of Beacon Lamp Company Employees Quit Work.

About fifteen or twenty of the girls employed in the factory of the Beacon Lamp Company, on Burnet street, went on a strike this morning and quit work. The girls became angry because the company had not paid them their wages on Saturday prior to the New Year's holiday instead of today.

This morning upon receiving their wages they left in a body. The company as a result is not crippled but put to some disadvantage. They will employ new hands at once.

FROZEN TO DEATH.

Man Found Dead on Tracks Beneath Whiteheads' Sand Lock.

Peter Bloodgood, a man 60 years old, was found frozen to death beside Whitehead's sand dock, at South Amboy, this morning.

He had fallen from the top of the elevator iron which the sand is emptied into the cars, a distance of about ten feet, to the tracks below, where he was found dead. The fall had rendered him unconscious and he was soon frozen to death.

Common Council Meets Thursday. The regular monthly meeting of the Board of Aldermen was adjourned last night by City Clerk Jaques until Thursday night next, there being not a quorum present.

FIRST PRIZE OFFERED

Harry Solomon to Give a Set of Horse Clothes for Fastest Trotter—Yesterday's Racing.

Harry Solomon, proprietor of the Imperial Cigar store, of George street, has decided that the horse men of the city should enjoy some great sport on the snow this winter if the offering of a fine prize can provide the fun. He has decided to offer a costly suit of horse clothes, including blanket, hood and all other appurtenances necessary for a complete equipment, as a prize for the speediest horse shown on Livingston avenue, the same to be selected by a competent committee of five judges.

This committee will consist of Freeholder George Deizer, John Willis and P. M. Welsh, of this city; O. H. Manahan, of South River, and one other man yet to be selected.

These judges will have charge of all the preliminary arrangements for the race on the snow. The course will be on Livingston avenue, similar to that of the great race of last year, extending probably from Baldwin or Handy street to New street. The judges are to select the date and if the present fine weather and sleighing continue the race may occur this week.

The race will be free for all, open to every horse in the county. The announcement that it will occur has excited general interest.

LIVELY HOLIDAY BRUSHES.

The snow brought scores of the fastest horses to the avenue yesterday afternoon and notwithstanding the intense cold, their owners spent several hours in speeding them.

Although the snow had been on the ground but a few hours it was in splendid condition and many exciting brushes occurred between the speediest animals. With boots and all the other fancy paraphernalia which the drivers of trotters affect, the horses were in shape for great work. A big crowd of spectators witnessed the racing from the sidewalks.

Among those who enjoyed the sport yesterday were: Dr. F. M. Donohue, J. Bayard Kirkpatrick, Peter P. Runyon, George Cathers, Walter Dey, James M. Bakelaar, Freeholder George H. Deizer, Freeholder James M. Parsons, E. H. Wikoff, John V. Hubbard, Mrs. Aswell, Alex. McO. Hardsenbergh, with his high stappers, Dr. Thomas Meacham, Patrick Barrington, R. J. Smith, William Deizer, Joseph Deizer, Edward E. Radel, James Fleming, Isaac D. Norton. Each showed the qualities of his particular pet.

Joint Installation of G. A. R. Officers.

There will be a large attendance at the joint installation of the officers of the local grand army posts tomorrow evening. The ceremony will be unique in the history of civic organizations in New Brunswick, nothing like it having ever been conducted before.

The officers of the two posts will be installed with the elaborate ceremonial prescribed for such occasions. A number of gentlemen prominent in the affairs of the Grand Army will be present, and there will be other distinguished visitors.

Following the ceremonies of the installation refreshments will be served.

AN ALL NIGHT TRIP.

Six Passengers Are Snow Bound on a Trolley Car.

One of the cars of the Brunswick Traction Company, one of the Milltown and South River line, was stalled on Saturday night between South River and Milltown. The car was making its last trip to this city near midnight when the snow storm stopped its progress.

It was stalled from midnight until 5 a. m. where it was first stopped, and all efforts to start it on the part of motorman and conductor were futile. There were six passengers in the car, three ladies and three gentlemen. Two of the gentlemen connected prominently with church choirs, expected to miss their Sunday morning services but they got in town in time to sing.

Some of the cars on the other lines were also put out of service temporarily on account of the snow, but no serious inconvenience was caused to the patrons of the road.

NEW YEAR'S RECEPTION.

Many Enjoyed the Hospitality of the Y. M. C. A.

The Young Men's Christian Association, assisted by the Ladies' Auxiliary, provided a very delightful time yesterday for many young men who attended the events given morning, afternoon and night. In the morning there was an informal gymnasium exhibition.

In the afternoon the reception was largely attended. The guests were received by Secretary Fry and the Ladies' Auxiliary, and President Stevenson delivered an address of welcome. Elocutionist Cruikshank, of Brooklyn, was injured in a trolley car accident while bound for this city and could not appear.

Miss L. Matthe Holmes very kindly volunteered to recite, and with Mrs. W. H. Cooper, who gave autoharp solos, and the Hart Orchestra, a fine programme was rendered.

Last night a large crowd enjoyed the entertainment in which numbers were given by Master George Hart, Goodwill male quartette, Miss Helen Butler, B. L. Premo, Fred Hart, Charles Hart, George Hart and John Foley. Members of the gymnasium glasses also appeared.

HANDS DISCHARGED.

Consolidated Fruit Jar Company Dismisses Many Employees.

There was another development in the affairs of the Consolidated Fruit Jar Company on Saturday night when practically all the employees were paid off and sent away having been notified that they would not be needed until sent for. Some of the employees concluded that they were discharged while others thought it was merely a temporary lay off.

Ralph W. Booth, the president, when seen by a Times reporter said the company had the privilege of discharging its men and that it was always customary to reduce the force at this time of the year so that an account of stock could be taken. As to how many men had been laid off and when they would be set at work again, he would not make any statement. A few men were seen about the factory at work today.

PLANNED TO GO TO NEW YORK TO VISIT THE PRESIDENT. Several men were seen about the factory at work today.
