Forty-fifth Year. New Brunswick, N. J., Wednesday Afternoon, May 14, 1924.

WILL VOTE AGAIN ON NEW SCHOOL

Bound Brook Educators Tackle Difficult Problem With Renewed Earnestness—Body Unit In Demand for Action.

BOUND BROOK, May 14—Bound Brook will have another opportunity, probably in late spring or early summer, to decide whether the borough is to have a new school building to ease the situation which within a year, according to supervising principal G. N. Green will reach a stage where "I hate to think what will happen."

The issue which will face the voters this time will have the support of the entire school board, it was definitely assured by the spirit which prevailed at the meeting held at Washington School Tuesday night. The project, in its various phases of seriousness and its most advantageous solution, was discussed for more than two hours when a motion was passed to hold a special meeting Thursday night, May 22, to whip the proposal into the shape in which it can be offered to the public with full confidence that there will be no legitimate objection and no feasible substitution.

Speed is Urged

Speed was urged by several of the members for the reason that later in the summer many voters may be out of town on vacations. "The project of building must be got under way with all possible speed," said Colonel W. S. Weeks," and must be completed by a year from next fall or the situation will be tragic."

"Further delay will mean that we will have to place some of the departmental grades on part time," said Principal Green, "and then I shudder to think what will happen."

Serious doubt was expressed as to whether the $250,000 proposal which the voters turned down at the last election on this issue, will now be sufficient.

The opinion that further postponement would result in still greater cost in meeting a problem that must ultimately be solved, regardless of the cost, was general among the members who have a knowledge of building costs and prospective wage scales.

Committee Works Hard

G. Clyde Somers, chairman of the increased facilities committee, laid before the board results of consideration of the matter at three meetings of his committee. The proposal will be digested by the board members in the week interim before the next meeting when, it was definitely the concensus of opinion among the members, a decision will be reached to which united and energetic support could be given.

The increased facilities committee also reported on tentative alterations in the Washington and Lafayette buildings by dividing large rooms used for study hall and domestic science purposes, into two rooms and remodeling smaller rooms to serve as class rooms. With the addition to the La Monte school of four rooms upon which progress was reported, the alterations in the other buildings, and acceptance of the proposal for a new building by the voters, the board hopes to reach a stage at which the taxpayers and voters will have relief for an indefinite period, the rapid growth of Bound Brook's school population, in recent years, the board members intimated, made it impossible to predict with assurance.

Discontinue Summer School

The summer school policy, which has been followed by the Bound Brook schools for the past years, was suspended, the final of two ballots being deadlocked and decided by President John Reed. The first motion offertd by Colonel Weeks that the summer sessions be continued for pupils who were deficient and that a fee of ten cents a school day be levied on each pupil, if legal, was voted down when the legality of the assessment remained undetermined. The apparent reason for the defeat of the measure was the disapproval of the members of the summer school idea which, it was held, robbed the children of summer recreation necessary to good health. President Reed expressed the opinion that the summer school sessions placed a premium on idling during the regular school term, offering the children a second chance to pass.

Favored by Green

Principal Green, who favored the summer school idea, declared that suspension this year "may cost the salaries of two more first grade teachers next year." Principal Green in presenting the situation said, "Because of the part time schedule in the lower grades and the many epidemics which have caused absence from classes, there are thirteen children in the first grade who must have further training to be passed into the second grade, besides twenty-six pupils who could attend the summer school to advantage. This would relieve the congestion which may necessitate the further division of the class and the employment of more teachers. In the second grade there are twenty pupils who should attend the summer school with nineteen recommended; in the third grade, eighteen with nineteen recommended; in the fourth grade, twenty-one with seventeen recommended; in the fifth grade seventeen; in the sixth grade, into which twelve pupils were promoted from the fifth grade because of inadequate facilities, twenty-five with seven recommended; in the seventh grade, thirteen, and in the eighth grade, twelve. A grave situation will result if the summer school is withdrawn."

Bond Issue Sold

The First National Bank of Bound Brook was the successful bidder for the $42,000 LaMonte School bond issue against seven other bidders, it was disclosed at the school board meeting Tuesday night. The Bound Brook bank's offer was $43,896.54-itemized serially. Outwater & Wells of Jersey City was next high at $43,774.77. Other bidders were, Harris Forbes, $43,692.20; Boland and Priem, $43,666.50; H. S. Allen & Co., $43,486.33; First National Bank of Dunellen, $43,587.70; B. J. Van Ingen, $43,575. Bound Brook Trust Company entered a bid on a part of the bonds.

The bonds, which were offered previously at a smaller rate of interest, attracted an agreeable number of bids when the rate was raised to five per cent.

A CORRECTION

Mrs. William Grover, mentioned in this column last evening as employed at the Annex Hotel, wishes it stated that she lives at the Annex, and says she is not employed there.

Mrs. Harry Rogers entertained friends at luncheon and bridge at her home, 524 Watchung Drive, on Monday afternoon. Mrs. Herbert Howard won first prize.

Mr. and Mrs. Hubert A. Suydam and Miss Margaret Suydam have moved into their attractive new home on Watchung Road.

T. H. S. Cone of Mountain avenue, who has been ill for several weeks, has been taken to a hospital in New York City.

Flanders Chapter, Daughters of the British Empire, held its May meeting Tuesday afternoon at the home of the secretary, Mrs. Charles Staats, Wahnetah Drive. There was a discussion on matters of interest to the chapter. Refreshments were served by the hostess.

Thursday afternoon the sewing circle of the Order of Eastern Star will entertain the sewing circle of Century Chapter, Somerville at a card party in the banquet hall of Masonic Temple.

South Bound Brook

SOUTH BOUND BROOK, May 14.—Following the mid-week prayer service in the Reformed Church Chapel tomorrow night the Sunday School Workers will hold a meeting to discuss plans to raise funds to enlarge the Sunday school rooms. The present rooms are inadequate.

Borough Collector Raymond C. Stryker reports the following financial balances: Borough, $3,987.32; Sewer No. 1, $181.84; Sewer No. 2, $79.38; park account, $178.16; fire engine account, $365.15; oil account, $266.98. At the recent council meeting bills amounting to $1,133.34 were ordered paid.

The borough sewers have been flushed under direction of Supervisor Thomas L. Walters, Sr.

The fourteenth annual banquet of the Young Men's Association given in the Reformed Chapel last night was well attended by members, wives and friends. The supper, served by the Young Women's Auxiliary, brought commendation.

Dr. Charles Eaton of North Plainfield gave an address on Association work. The urge of closer fellowship among men, their loyalty, not only to the association but to the church, State and nation. Rev. Harold E. Green spoke on the historical background of the organization. The pastor spoke of the good work accomplished for the members and the wholesome influence to the community.

Remarks were made by President Matthews and other members of the association.

ISELIN NEWS NOTES

ISELIN, May 14.—Acting on the suggestion of several residents, an effort is being made to organize a building loan association here. The petition already has a large number of signatures.

At a recent meeting of the Iselin Utility and Improvement Association, it was decided to install 128 street lights in the near future. At the same meeting, the secretary was instructed to advise the health authorities to inspect the place in regard to sanitary conditions.

It was decided to hold a general meeting on the first Monday of each month.

COST OF FIRE HOUSE AT MILLTOWN SET AT $15,000; MERCHANT SUBMITS PLANS

MILLTOWN, May 14—Architect Alexander Merchant submitted to the borough council on Monday night a sketch of the proposed new fire house which is to be erected on the Cottage avenue side of the playground in the rear of the school. The cost of the building, submitted for approval of the officials, was estimated at $15,000, a figure far in excess of what the borough fathers anticipated on spending. The plans, however, call for a magnificent home for the fire fighters, with a large place to house two machines on he ground floor. On he upper floor will be a meeting room and a recorder's office.

It is also planned to have a lock-up on the ground floor where "customers" may be kept over night. The plans call for a brick building. After debating the price, the councilmen could not come to any agreement on the subject and consequently had to lay the matter on the table for further consideration in view of the fact that only $8,000 was set aside in the budget for this purpose.

A request was received from the owners of Booream avenue asking the borough to take over the street. This was referred to the borough engineer to investigate. If the street is found in acceptable condition, the council will no doubt take it over at the next meeting. This refers to the eastern part of the street or the extension which has been opened during the past year. The street was recently scraped by the owners.

A very serious situation has arisen at the sewerage disposal plant in taking care of the waste from the eastern section of the borough or the part from the Russell Playing Card Company to the plant. It seems hat this waste comes through the pipes in clugs, due to the wax-like waste material which runs out from the Card Company plant. Many complaints have been made but the condition is such that only a clean-out of the pipes every two days will remedy it. Further consideration of this matter will be given attention at the next meeting.

The "welcome" signs are here and will be erected at the various places as soon as chairman of the street committee can secure permits. They give a glad welcome to strangers when they enter the town and ask them to call again when leaving. They are to be erected at Miller's, the entrance to Milltown from South River on the main street, at the big bridge, at Riva avenue bridge, at Elkins Lane, and at Ryder's Lane.

One Cent Sale

Your Family Druggist will put on a one-cent sale tomorrow and run it for the rest of the week. Mr. Cosgrove, who came here from New Brunswick, has won over a host of friends with his clean business dealings. He advertised his sale through these columns the early part of the week and the bargains are numerous. Yesterday he was getting things ready and th eassortment is beyond expectations.

The Misses Mary Wagner and Elsie Crabiel are attending the annual State convention of the Methodist Sunday schools at Burlington which is in session Tuesday and Wednesday.

Elbert Applegate, who broke his ankle a few weeks ago, while at work, was brought home from the Middlesex Hospital on Monday. It may be several weeks before he will be able to use his strength on this foot.

The dedication of the New Reformed Church has been postponed until June 22. The original date set was May 25. Due to the delay in the special windows arriving it was thought advisable to postpone the exercises. The windows are of a special design and are to be used as memorial windows.

A special meeting of the entertaining committee of the Ushers Union of the Methodist Church will be held on Friday night at the home of Harold Okeson.

The report of the Salvation Army canvassers thus far is very encouraging and the people are responding in many cases in fine style, but others can help this cause.

At the annual dance of the Mickelin Band which is to be held tomorrow night in the Community House, the Reginal Six Orchestra will favor with the music. This assures an evening of rare dancing.

Quick service for delicious pastries means a whole lot, and the Hermann's Bakery as per their advertisement in tonight's paper, is fully prepared to meet all emergencies along this line.

FEATURES FOR CHILDREN AT SPRING FESTIVAL

MARTINSVILLE, May 14.—The Spring Festival to be held by the Martinsville Community Club on May 22 and 24 is gradually being put into good shape and now promises well. The children's feature of the entertainment, "The Raggedy Ann House," is going to be something out of the ordinary. Miss Marian Boice, who has charge of the section and who, in fact, suggested that his feature be added to the festival, has just received a very nice not from Dorothy Stone of the charming New York production, "Stepping Stones" and who introduced Raggedy Ann to the world. Here's the letter: "I think your idea about the Raggedy Annes and Andys is perfectly adorable! I should love to be there myself to witness it; but that of course is impossible. I send heaps of good wishes to the Martinsville Community Club and hope the festival will be a great success. Sincerely,

DOROTHY STONE."

And now that Dorothy Stone has given her approval and good wishes to Raggedy Ann, the young women who "are putting it on"—Miss Marian Boice and her assistants—feel inspired to very large efforts and there is no doubt but that the children's attraction at the Festival is going to be something real big.

Another feature of this annual entertainment given by the Community Club, is the supper on Saturday night—the English roast beef supper. Of course the chicken supper on Friday is equally delectable but the Saturday meal is unusual in these days. A "baron" of beef roasted to the king's taste—double sirloins sometimes running into forty pounds each, cooked in the large ovens of the club, with an expert's eye trained on the operation. Just the kind of a supper old Ben Johnson and his friends used to enjoy at the Mermaid Tavern but without the stoup of ale, and none the less appealing for that.

There are other features too numerous to mention. And then the dancing and the music by the Paramount Orchestra. Not ultra-jazz, but just enough mixed up with the swing and the melody to make dancing irresistible. The fair features in the booths, the automobile exhibits and some attractions to beput in the enclosure along side of the children's. Every thing designed to make an attractive hour or two for one to spend in the country and feel that it was worth while.

At a meeting of the Bridgewater Township Committee on Monday morning it was arranged for the new tractor and grader to get to work at once on the roads in the valley. The machines will begin by finishing Vosseller avenue running to the Valley Road in Martinsville and then work west toward Pluckamin. Mr. Way repeated his instructions to have the Chimney Rock Road in front of the Crusher repaired. It appears that this job would have been undertaken earlier but the continued rain made it impracticable.

LADIES TO MEET

PISCATAWAYTOWN, May 14.—A special meeting of the Ladies' Auxiliary of the Harold L. Burrue Post will be held on Thursday evening when all members are urged to be present and when all popies are to be brought in.

CONSIDER T. B. FUND DRIVE FOR SOMERSET COUNTY

SOMERVILLE, May 14.—Margaret L. Johnson, executive secretary of the Mercer County Health League, addressed the Somerset County Health Association at the meeting held in the Freeholders' room in the Court House Tuesday afternoon.

Miss Johnson told the local committee how seal sales are conducted in Mercer county.

The Somerset county organization supervises the work of the county nurse, Linda Meirs, and has taken a part in the fight to decrease tuberculosis in this vivinity.

In Mercer county the fight has been carried on for a much longer period and with greater force due to the complete and efficient organization of the Health League. In this county the work of the health nurse has been commended, especially in the Raritan schools, where 150 children were found to be underweight. Through the efforts of the county nurse, the children were supplied with milk and crackers until the Parent-Teacher Association took over the work which is now said to be self-supporting.

Tells About Drives

The address of the Mercer county official contained a review of the Mercer county drives conducted during the latter part of the year in the form of sales of seals similar to those handled by the American Red Cross.

Miss Johnson stressed the importance of organizing the committee in charge of the sale and the value of advertising. The proceeds of the sale is devoted to the promotion of the work of the organization in the nation and State as yell as the county. Should the county organization follow the advice given at the meeting the drive in this locality will start during the latter part of November.

Seals exhibited by Miss Johnson show a robed figure holding a shield on which are inscribed the double-barred cross of the league. Posters were also exhibited.

Activity Increasing

The reports of the county nurse for the first four months of the year were received and showed the county work to be increasing. During the month of April 255 visits were made, forty of them were visits to fourteen schools in the county.

W. J. LaPoint, secretary of the Somerset County Y. M. C. A., and member of the executive committee of Camp Taylor, spoke to the students of the high school at the morning assembly Tuesday on camp life for boys and girls and its relation to school work.

Camp life appealed to many of the students in past years and the speaker recognized many of his former campers in the assembly.

The "Grosshopper" quartet composed of students of the school rendered several selections at the close of the address and were called back repeatedly for encors.

The program of the junior prom and banquet has been announced by the committee of the class of '25. The activities will begin with the banquet for the junior and senior classes Friday, May 23, at 6 p. m., in the cafeteria of the high school building.

he president of the Junior class, Scott Van Derlyck will act as toastmaster. The speakers will be David Moscovitz, John Elder, president of the graduating class; Janet Hartmann and Gladys Francis. Following the banquet a dance will be held in the gymnasium at 8:30 p. m.

To Visit Princeton

The Triangle Y group of the First Reformed Church will take a trip to Princeton Saturday for the purpose of taking in the baseball game, track meet and boat race. The members of the Arcadian Club orchestra will also make the trip.

Officers Elected

The annual meeting of the Home and School Association was held in the auditorium of the high school Tuesday afternoon, the last to be held during the school year. Officers were elected. A special program was given by the children of the grades. An outdoor program was prevented by damp grounds.

The program of three exercises given by the children, a May pole dance and two other numbers was well received by the host of parents and friends that filled the assembly hall of the high school. The sale of cake and ice cream netted the association $50 and will be used to make up the fund of $200 voted by the members to be donated to the school for the purpose of establishing a reference library for the students.

The officers elected follow: President, Mrs. B. L. Wharton; vice-president, Nellie Evans; secretary, Mrs. W. R. Holbert; treasurer, Mrs. Launcelot Ely. The report of the year's work under the administration of Mrs. J. C. Conover showed that the association had donated a greater part of the funds raised, toward improvements for the schools of the borough. Considering that the association had not undertaken any extensive plans for raising funds the returns of the several of sales has encouraged the members in their work in the schools.

Jamesburg News

JAMESBURG, May 14.—Milton Matlack, at a congregational meeting of the Presbyterian Church, was elected deacon and was installed. The Rev. Weaver K. Eubank was in charge of the service.

The new bus, owned by Weisert & Carini, has been put into service between this place and Helmetta, and is meeting with success. The new owners are planning to run a special trip to Lakehurst on Saturday, May 31 to witness the air circus to be staged by the United States government. The fare will be $1. Bookings are now being made.

All are invited to attend the meeting of the Citizens' Memorial Day meeting to be held at borough hall this evening. A large number of citizens are urged to attend as there is much work to be done to honor the dead veterans of the wars of America.

Frederick Firestine has taken the management of the bus between Helmetta and Jamesburg.

BARGAIN SALE AT SOUTH RIVER NOW UNDER WAY

SOUTH RIVER, May 14.—The four-day sale of the South River merchants started today and will continue until Saturday night. Their bargain offerings were advertised in yesterday's Home News and those who read the many wonderful reductions were convinced that it will pay to shop at home. This is a co-operative sale in which only the leading merchants are participating. Those who have money saving bargains are displaying large sale posters in their windows. Every article needed for the home and for men's, women's and children's wear have been included in the articles on which prices have been sacrificed. You will save money by visiting the following stores:

Leonard's Hardware store, 38-42 Ferry street.

Fallik's, Women's and Children's wear, 65 Main street.

B. Mark, shoes, Ferry street.

Greenfield's Department Store, corner Main and Ferry streets.

Bogdan's, Shoes and Furnishings for the family, 22-25 Ferry street.

South River Flower Shop, 4 Ferry street.

The Smart Shop, Men's wear, 41 Ferry street.

B. Trasnaka, Department Store, Ferry and Jackson streets.

Davenport's Drug Store, Ferry street.

The Bargain Store, General Merchandise, 21 Main street.

S. Shayevitz, Furniture, 42 Ferry street.

Moran's Drug Store, 12 Ferry street.

Grossman's Hardware, 44 and 62 Ferry street.

Hollander's Department Store, Main and Thomas streets.

The Outlet Store, everything for the family, 15 Ferry street.

R. and R. Drug Store, Main and Ferry street.

Whiteman's Department Store, 45-47 Ferry street.

Bruer's Department Store, 55-57 Ferry street.

Junior Prom. Next

Members of the junior class of the South River High School are making preparations for their junior prom, in the auditorium on May 29. Invitations will be sent to their friends and relatives and a large assembly of people is expected. Music will be furnished by the Dixie Serenaders of Plainfield.

Death Mourned

News of the death of Mrs. Harry Lockwood, nee Miss Bertha Boorsem, was received yesterday with sadness by her relatives and friends here. Mrs. Lockwood was born in South River and lived here until the time of her marriage to Rev. Harry Lockwood, now pastor of the Dutch Reformed church, of East Millstone. Mrs. Lockwood was a prominent musician and for a number of years was organist of the Methodist church. Until the time of her marriage she lived with her parents on Reid street.

Parent-Teachers' Will Meet

An important meeting of the South River Parent-Teacher Association will be held on Thursday afternoon at 2:30 o'clock in the High School auditorium.

There is much business to come before the meeting and it is the time of the annual election of officers.

There is probably no more important work in the borough than that which links the parent and the school and for this reason teachers are expected to be present and parents are earnestly requested to lay aside all else and come out and show an interest in the school and the welfare of the coming generation.

Other News

Mrs. John Armstrong and son, John, Jr., spent yesterday afternoon with her sister, Mrs. John Ochs of New Brunswick.

Mrs. John C. Price, who has been ill for several days, is now much better.

Rev. H. J. Zelley call for a meeting of all the young men of his church at the parsonage at 8 o'clock tonight. Matters of much importance to the church will be considered.

Newton Jessop and Herbert Van Cleaf of Paterson were the week-end guests of Mr. and Mrs. James Van Cleaf.

John Van Deursen and Otto Knof are planning to lay cement sidewalks in front of their residences on George street.

Personal Item

Mr. and Mrs. Simon Glaser of New York and Mr. and Mrs. Louis Lipsitz of York, Pa., have returned home after spending several weeks with Mr. and Mrs. Harry Bergman.

SAYREVILLE SCHOOL PRINCIPAL ASKS INCREASE IN SALARY; ONLY NINE TEACHERS SIGN

SAYREVILLE, May 14—The Sayreville Board of Education held a very busy meeting at the Washington School last evening. Margaret Hoffman of South Amboy made application to the teaching staff, stating that she was graduated from Newark Normal School. The matter was referred to the teachers' committee. A check of $200 was received from the R. & R. Handkerchief factory for the rental of the old school house which is being used by them.

Report of State Nurses

A report was received showing the work of the State nurses during March. It showed much activity.

Asks for Increase

E. F. Samsel, chairman of the teachers' committee, reported that the committee met recently and that nine teacher contracts were received. There are nineteen teachers and most of these are expected to hand in their resignation as teachers in the Sayreville schools. Mayor Frank Hartman asked why it is that at the end of each year so many teachers leave the teaching force.

Supervising Principal Sciover said that all of the teachers are satisfied with the system as far as he knows but as in other communities, some like to change. Mr. Hartman thought that if there is dissatisfaction, the board should look into the matter.

Chairman Samsel then reported that Supervising Principal Sciover had asked for an increase in salary and he thought this should be taken up with the board as a whole. It was and for nearly one hour, this was the main discussion. Mr. Selover's salary is now $2,500. He stated that he had been connected with the Sayreville schools for twenty-three years. He recalled the poor school system then but today he said it was something to be proud of. He does all of his clerical work, delivers supplies and uses his own car, aside from this works out all statements. The teachers' committee chairman said that several of the teachers felt as though an increase is due them. M. V. Hitt asked that some definite information be received from some of the nearby counties as to their salaries of the supervising principal and also the teachers up until the eighth grade. The matter will be settled at a special meeting later.

Mayor Frank Hartman asked that several of the older boys in the school be appointed to co-operate with the police in taking care of the children coming and going from school. This will be a great help in the safeguarding of the children when school is let on.

The clerk was authorized to advertise for bids for coal, same to be received at the next meeting of the Board the second Tuesday in June.

School Closes June 13

The question of the closing of school was also discussed and it was decided to have the commencement exercises on June 13 at the Liberty theatre. The closing of the school will be on June 13. Mr. Selover reported that the playgrounds in the rear of Lincoln and Washington School could stand a little repair. The supervisor was authorized to make the necessary arrangements for commencement.

Show on Friday

Special scenery will be used in the production of "College Boys" which will be presented at Victorian Hall Friday night by the members of Victorian Dramatic Club. Tickets were on sale last evening and indications point to a large audience. Charles V. Carroll of New Brunswick, who is coaching this play, stated last evening that he is expecting to have the author, W. C. Herman, at the performance on Friday. The play will last for two hours and after same dancing will be held until 12 o'clock.

Mrs. T. Fitzpatrick and daughter, Ruth, have returned to New Brighton, S. I., after spending a few days with Mr. and Mrs. E. Baumann.

John Kroeger, who is at St. Peter's Hospital, is reported as getting along fine.

Nicholas Maurer has accepted a position with the Arctic Ice Company in New Brunswick.

The weekly card party will be held at Victorian Hall tomorrow evening and will be in charge of Mrs. J. Quinn of South River.

Services at the Church of Our Lady of Victories this evening at 7:30 o'clock.

Mr. and Mrs. Coadge have returned home from their honeymoon.

Joseph Lenski is in New York City on business.

The D. A. C. will meet tomorrow evening. All members are requested to attend.

Services at the St. Stanislaus Church tonight at 7:30 o'clock.

The Y. P. S. of the German church will meet tomorrow evening. The choirs rehearse tonight. There will be no rehearsal of the Victorian Dramatic Club this evening.

Dayton News

DAYTON, May 14—Mr. and Mrs. Ellison Errickson have returned from a six months' stay in Florida, and are staying with Mr. and Mrs. J. W. Errickson.

Mr. and Mrs. E. B. Schoenly and daughter Edith of Trenton spent the week-end with Mr. and Mrs. W. G. Schoenly.

Miss Helen Hutchinson spent the week-end with Mr. and Mrs. Walter Hutchinson.

William Conover, who has been under the docter's care is able to be up again.

The Darktown Minstrels of Monmouth Junction will be given in the Dayton chapel on Tuesday, May 20, by the Ladies' Aid. Keep this date in mind for the minstrels are well worth seeing.

Mr. and Mrs. Chester Conover and son Harvey of Point Pleasant, spent Sunday with William Conover.

Mrs. William Wefer has recovered from an attack of the grip.

Mrs. Samuel Lake, president of the Women's Republical Club of Kingston, Monmouth Junction and Dayton; Mrs. Emma M. Howland, the vice-president, and Miss Lida Hubbard were among the many who attended the Coolidge luncheon last Friday at the Hotel Klein.

BOXES ON VEGETABLES

LONDON.—The Marquis of Douglas and Clydesdale, famous amateur boxer, says that vegetables form his chief diet when he is in training.

UKULELE WRECKS HOME

LONDON.—In divorcing her husband, living at Honolulu, Mrs. Alice Janion said a Hawaiian ukulele player had won Janison's love and wrecked her home.

Rheumatic Pain Quickly Relieved by New Discovery—No Medicines to Take

"Cured Me Of Inflammatory Rheumatism of 8 Years' Standing," Writes Man After Using Two Boxes

A startling new treatment for rheumatism, discovered by Alessandro Volta, the eminent Italian physicist, has now reached this country. Here it is repeating its amazing success in relieving rheumatic suffering—in many stubborn cases succeeding where years of internal dosing treatments have failed. This new remedy, called Volta after its discoverer, is in the form of a fine powder, which is not taken internally but is shaken in the shoes. The principle of this new method of treating rheumatism is Medication by Absorption. Volta powder is intended to be absorbed through the myriad pores in the soles of the feet, to eliminate excess Uric Acid. By this method rheumatic pain is relieved, and the stomach is saved the risk that accompanies the old-fashioned dosing. Thousands of grateful users of Volta have already testified, in writing, to the amazing benefits they have received from this discovery. So remarkable and rapid have been the results from the use of Volta Powder, both in this country and in Italy, that the American distributors have authorized local druggists to dispense Volta with an unqualified guarantee of relief from the use of the very first box or your money will be refunded. If you suffer from rheumatic pains, sciatica, lumbago, gout or neuralgia, you owe it to yourself to try this startling scientific treatment. It is absolutely harmless and will not cost one cent if you do not receive wonderful relief. You can get Volta Powder from all good druggists everywhere.

FIRE HOUSE TO BE BUILT AT AMBOY

SOUTH AMBOY, May 14.—The regular meeting of the council, last evening, while lengthy, was taken up mainly in routine matters. The main matter was the clerk was authorized to advertise for bids for the new fire house on Broadway, and to advertise for bids for the removal of the old structure.

The council received aletter from the State Commissioner of Accounts, stating that the audit for 1923 had been accepted by the State.

Two special officers were appointed by the mayor, Robert Pierson for the Pennsylvania Railroad and J. Henry Stumpf for the city.

Mrs. A. T. Kerr, some time past, wrote the council that she was taxed too much for a sewer tap on her property on Louisa street, and that as the State Highway Commission had moved her property line back so as to bring it further away from the main sewer she thought that property on both sides of the street should be taxed equally. The city Solicitor stated that he had looked into the legality of the matter and that the Street Commissioner had made a correct charge for the amount of work done. The clerk was instructed to notify Mrs. Kerr as to the solicitor's ruling.

The city engineer was instructed by the council to qualify himself for the position to make the bacteriological tests of the city water as performed by the former engineer.

Councilman Kvist brought up the matter of the dangerous condition of the Kaufman property at the corner of Broadway and Henry street, stating that the owners were notified to fill in the excavation, and that up to the present time they had not done so. He made a motion that the city fill it in and bill the estate for the amount of work done.

Attorney Burton of South River was present and placed in the hands of the clerk a petition and maps from Whitehead Brothers and several property owners in the Whitehead tract, that the council approve the map as presented. This will enable several property owners to get their deeds and start construction work on their homes. Whitehead Brothers would not give them their deed until the map was approved by this city.

The following resolutions were passed: John Maska, taxed for two dogs, the only owns one, assessments reduced; Michael Welsh, on one lot that he sold prior to October, 1923, assessment cancelled. Thomas Del Percio, taxes returned to him, as he is an ex-service man, and John Woodward, taxed for dog, (when he does not own any) tax cancelled.

The city engineer was instructed to prepare plans for the sidewalk and curbs on Fourth street between Stevens avenue and Feltus street, and the City Solicitor was instructed to prepare all the necessary legal notices and papers regarding this work.

Councilman Kvits introduced a resolution that if a person paid a tax on a dog, they be given a special receipt, so that they could present this receipt to the proper official and get a dog license tag. It was his opinion that it was unfair to make people pay both taxes.

The Chief of Police in his monthly report stated that $50 had been turned over to the collector, $15 for bus drive permits, at $5 for dog licenses.

The police justice made his monthly report and turned over $145 to the collector.

The matter of the improvement to George street, recently shelved, was referred to the city solicitor as about sixty per cent want the improvements and forty per cent do not want them. Upon investigation it is found that some of the forty per cent do not own as much property as they have signed for.

Representatives of the International Motor Company at the Perth Amboy branch were in this city last night with one of the company's fire trucks, and gave a demonstration as to thepumping qualities. A large number of firemen were on hand to witness this test.
