White Slave Girl Said to be Amelia Anderson

PLAINFIELD, Sept. 8.—An investigation that has been conducted by Capt. John J. Flynn, of the local police department, since a 19-year-old girl was taken prisoner by the local police in a raid on a disorderly house on Watchung avenue, August 28, Tuesday morning, resulted in establishing the identity of the girl, who gave her name as Mary Monahan, and who is now serving a 60-day sentence in the Elizabeth jail. A letter from her mother, who lives in Milltown, says that her right name is Amelia Anderson.

The parent describes her as a victim of bad male companions, and says that she has long been away from the family fireside, shifting for herself in unknown parts.

KILLING OF TOT AND AGED MAN TO BE PROBED

Grand Jury to Investigate Manslaughter Charges To-morrow—Draw New Grand and Petit Juries on Friday.

Two manslaughter charges will be probed by the Grand Jury to-morrow, this being the first session of that body since July. One of those charged is Albert Carnock, motorman of the Trenton Fast Line car that ran over and killed little Angelina Bruno on Throop avenue on Friday, August 27. Mr. Carnock was the motorman of a car on the South Amboy line that ran down and killed Steve Mechinsky in Sayreville Township on Monday, July 5. He was relieved of responsibility after a Grand Jury investigation.

The other manslaughter case down for to-morrow is that of Martin Ortell, of Perth Amboy, who was the driver of a truck that ran down Patrick Coughlin, an aged man, at Perth Amboy on Saturday, August 27.

There are several other cases, mostly of a minor character, on to-morrow's list. So far as could be learned no complaint has been lodged with Prosecutor Florence concerning alleged grafting by two members of the Excise Board of Perth Amboy. Former Recorder H. W. Kehoe, of that city, has stated that he would present the charges to the Grand Jury.

To-morrow's session will likely be the last for the present panel, as the grand and petit juries for the September term are to be drawn on Friday. Justice Bergen will charge the new Grand Jury on Thursday, September 21, at the opening of the September term of court.

FORECLOSURE SALES ARE ABUNDANT

Nearly Thirty Such Sales Now in Sheriff's Hands—Large Amounts Involved—More Numerous Than in Many Years.

Although there are no strikes of moment in Middlesex at the present time, Sheriff Edward F. Houghton has no difficulty in keeping busy, as evidenced by the immense number of foreclosure sales now in his charge. Twenty-one sales are now being advertised and the sheriff has half-a-dozen more in course of preparation. Very few of the foreclosures are in the City of New Brunswick.

The "good times" that the Democratic campaign orators are picturing have a very apparent offset in this condition of affairs. The foreclosure proceedings now under way are larger than at any time in any years and speak volumes as to business troubles.

Some of the foreclosures are on mortgages running into the hundreds of thousands, while others are for small claims. The largest is in a Chancery court action between the Security Trust Company, complainant, and the Peerless Match Company, defendant. This involves property in Piscataway Township, including land and factory equipment, the decree being \$263,000.

A close second is the foreclosure in the Chancery Court action between the New Jersey Title Guarantee and Trust Company, complainant, and the Perth Amboy Fire Brick Company, defendant, where the decree is \$130,000. The property to be sold is located in Raritan and Woodbridge townships.

ODDFELLOWS CHOOSE NEW OFFICERS

Thomas H. Williams, of Jersey City was elected Grand Master of District Grand Lodge No. 4, Grand United Order of Oddfellows, at the election held here this morning. William H. Franklin, of Bridgeton was elected District Deputy Grand Master, J. H. P. Young, of Newark was made Grand Secretary. A. A. Hill, of East Orange was chosen Grand Treasurer, and Thomas M. Bowers, of New Brunswick was honored with a post of Grand Erector.

Over two hundred delegates from all over the state attended the business session of the convention at Odd Fellows Hall on Nelson street this morning. The most important question considered was the selection of a convention city for the next convention two years hence. Atlantic City, Passaic and Plainfield all had many supporters, but Passaic was the final choice.

Reports were received from the Grand Master and other officers of the Grand Lodge, and the report of the treasurer showed that finances of the order are in a better condition at present than at any time since the organization of the order. A number of recommendations made by the Grand Master, James N. Miller, in regard to finances and the general work of the order were unanimously adopted. Resolutions appreciating the admirable manner in which Mr. Miller has filled his office and has attended to the details of the present convention were adopted.

The result of the morning was occupied with routine business. After the closing of the morning session the delegates, together with the members of the Household of Ruth and the members of the local lodge in line and they made an impressive sight. They marched through the principal streets of the downtown district and everywhere received a hearty welcome from the crowds that lined the streets. Among those in line were Past District Grand Masters William H. Corbin, Levi Williams, John A. Huges and James H. Penn. F. D. Brokaw was Grand Marshal.

A service for members of the order who have died since the last convention was held this morning under the direction of Jesse W. Shreveaux. The ceremony was very impressive.

The convention will be closed to-night with a concert at the Mt. Zion A. M. E. Church, which is to be attended by the delegates by the Household of Ruth, whose members are also holding their convention here. All the delegates will gather in a body for the concert, and after its conclusion will depart for their homes.

A grand reception was tendered the delegates last night at Columbia Hall by Raritan Lodge, assisted by the members of the Household of Ruth. This was a brilliant social affair and was thoroughly enjoyed by all.

Zeppelins Raid East Coast of England and Spread Fire and Death

U-Boat Commander Says Arabic Tried to Ram Submarine

[Special Dispatch to Home News.] AMSTERDAM, Sept. 8.—A dispatch from Berlin states that the commander of the German submarine which sank the Arabic has made an official report to the Admiralty stating that he thought the liner was preparing to ram him when she changed her course to go to the aid of the torpedoed Dunstley. He says that this was his reason for firing on her. It is understood that the report from London that the submarine later was sent down, is untrue. It is known that Berlin has received a full report of the occurrence from the commander of the raider, though no official announcement of its contents has been made.

The feeling that has prevailed in Highland Park for a long time, that partisan politics should be eliminated from the administration of borough affairs, found expression in a visit which a number of citizens of the borough paid to Albert L. Wycoff at his home on Lincoln avenue last night.

The Mayor acted as spokesman, and informed Mr. Wycoff that these gentlemen had called on him for the purpose of asking him to be a candidate for Mayor of Highland Park. The Mayor said that he, himself, did not know what Mr. Wycoff's politics were, and he did not care. He and the others simply felt and knew that Mr. Wycoff was a capable and reliable citizen with a great deal of experience, and that he would be a useful man to serve the borough as Mayor at the present time.

Mr. Wycoff positively declined to run for Mayor. He said he was too busy and did not feel that he had the necessary experience, and also that he thought the borough was being well served by the present Mayor, George J. White.

Upon being pressed, however, he consented to serve the borough on Common Council if his fellow-citizens cared to elect him to that office as an independent candidate.

The Democrats have shown a willingness in past elections, as well as in this campaign to foster the election of independent men who are specially qualified to fill borough offices.
