

Following the Scarlet

Among those that attended Saturday's game were Glenn Warner, coach of the University of Pittsburg, and Howard Gargan, former Rutgers coach.

Dowd, the Lehigh quarterback, is a former big league ball player. Several days before the game on Saturday he disappeared. It is not known if he will play or not.

Every penalty made on Saturday was against the Scarlet. The fact was that the Lehigh team was the roughest team. In one of the scrimmages Kelly had his ankle twisted by one of their players.

Repeatedly before Breckley hit back Spagna did considerable slugging.

It took twelve plays and four first downs to make the first touchdown on Saturday. Six plays and three first downs were used to make the third touchdown.

Some brilliant person, after a veil had been given for Mr. Loree, asked who he was. It is a shame that a person should show ignorance on a matter of this sort. If it was for Mr. Loree the Rutgers team would not have the fine coach and financial backing they have.

Wysocki did not have the success on his second visit to Neilson Field that he had on the first. On this trip his team was defeated. Both times he enjoyed the honor of being the shining light of his team.

The kick-off of Captain Feitner's in the fourth quarter was a "beau". It traveled so far that it sailed over the cross bar.

There is much discussion about some of the Rutgers players being sent to military camps.

When French received the ball from Wysocki and ran it back for 40 yards one man was heard to say, "He is the fastest man that I have seen on the Rutgers field." He was right, for besides being a football player, Frenchy, as he is better known, is a track man and can do the hundred in a little over ten.

The Rutgers team has no game on the schedule for Saturday at present.

Georgia Tech and Pitt to Play

At last Georgia Tech. has one northern game scheduled. Pittsburg will meet her in a game on Forbes Field, Pittsburg, on Nov. 23rd for the benefit of the United War Council drive. Neither of these teams has been defeated in three years.

Y. M. C. A. RESUMES ACTIVITIES

Now that the influenza ban is lifted activities will be resumed at the Y. M. C. A. All the Bible groups will hold their meetings this week, and the Blue and White Club will meet on Wednesday night. The pool will also be opened today. It has been cleaned and painted during the time it was closed.

N. J. High School Athletic League

During the past week Montclair defeated Paterson to the tune of 42 to 0.

South Side opened her season on Saturday and defeated Bloomfield High 13 to 0. The Bloomfield team was lacking in practice, and did not make the showing expected.

This week will again open football at the local High School. They do not have a game scheduled for Friday, but will probably be able to schedule one. They were originally scheduled to play East Side of Newark, but the Newark eleven cancelled the game.

The local eleven has lost the services of Messerole who died of pneumonia. Coach Reed will have to find a man to fill his position at half. Franke will probably be the man selected for that position. He has had considerable experience at this position during the last two years.

Millman, former tackle, and Battison, former guard and center, expect to return to school today. With these men in the line, the High School team ought to be a championship combination.

The Blue and White has missed two league games during the vacation. They were with East Side and Montclair. Being league games they will be played later. One of them might be played on Friday.

Coach Reed was umpire at the Columbia-Camp Merritt game in New York on Saturday.

Bezdek to Leave Penn. State

The war department has recognized Hugo Bezdek's ability as a leader in mass athletics. He has been called from his duties at Penn State as director of athletics and will go in the army to take care of the mass athletics there. A short time ago he successfully introduced mass athletics at Penn State and the result was that over 1500 students were participating daily in outdoor competitive sports. This is the first American college where this plan has been carried out successfully.

WEST VIRGINIA RESUMES HER FOOTBALL PRACTICE

West Virginia University has reopened, after being closed on account of the Spanish influenza. They have not been practicing for some time, and are somewhat stale. They have also had the misfortune to lose some of their players and the coach, Joseph Tracy, a lineman, died of the Spanish influenza. Bailey, star center; Davis, end; Erwin, back; Meredith, tackle, and Coach Warner have all gone to officers' training schools.

PELHAM BAY SAILORS WIN.

The Pelham Bay eleven defeated the New London Naval Station yesterday afternoon by the score of 13 to 0. The Pelham team failed several times to score when they were near the goal line.

College Elevens in Action on Saturday

Although a great many college elevens were in action on Saturday, few played against each other.

The Rutgers game, won by the local team with a score of 33-0, was the biggest game between college teams. The Lafayette and Muhlenberg game resulted in a victory for Muhlenberg, 7 to 0. Villanova defeated St. Joseph by a line plunging game, by the score of 7 to 2. Ursinus continued her hard luck and was swamped by Swarthmore by the score of 61 to 0. The only satisfaction she had was the chance of making her first touchdown.

Wesleyan defeated Amherst by kicking a field goal and scoring a safety. A great many of the colleges played service teams. Brickley, the former Harvard star punter, took the Army Transport team to Syracuse and was defeated by 13 to 0. The game was played on a muddy field. Before the game the naval and military units at Syracuse gave exhibitions of drilling. Annapolis opened her season by defeating the Newport Naval Reserves, which was "Cupid" Black's team last season, by the score of 47 to 7. Georgia Tech met a stronger opponent than usual and defeated Camp Gordon 25 to 0. Northwestern and the much talked of Great Lakes Naval team played a 6-0 game. Camp Merritt with a team of college stars, journeyed to Columbia and were defeated 7 to 0. Pennsylvania lost some of her prestige when she allowed the League Island Marines to defeat her 7 to 0. The Marines were helped a great deal by the forward passing of "Bunny" Lerch, the former Muhlenberg star.

SPOTSWOOD.

SPOTSWOOD, Oct. 28. — Miss Anita Aletti is confined to her home with an attack of influenza.

Howard Hult was a New Brunswick visitor Wednesday evening. Miss Edith Arnold, of Perth Amboy, spent the week-end at the home of her parents, Mr. and Mrs. William Arnold.

Nelson Aletti has secured a position in a machine shop at Chester, Pa.

Again Urge Abandonment of "Hole-in-the-Wall"

Whatever is possible to hasten the abandonment of the "Hole in the Wall" route through South Amboy will be done by the members of the New Jersey Division of the Highways Transport Committee at a meeting there Wednesday. It was proposed, some time ago, to change the route from Perth Amboy to Keyport by doing away with the "Hole in the Wall" by the paving of a route from the end of the brick pavement near the cemetery through Pine avenue to Bordentown avenue, the paving of Bordentown avenue to Stevens avenue and of the road now owned by the Pennsylvania railroad leading from the intersection of Broad and Main streets to Scott avenue near the end of the South Amboy bridge.

The committee will take the matter up with the Pennsylvania railroad officials, those of the State Highway Commission, of Middlesex county and the city of South Amboy.

The Pennsylvania Railroad has tentatively agreed to convey the stretch of private right of way to the county or State highway officials, and also to build a bridge over its yards at Alpine street, provided the road running through the "Hole in the Wall" be closed, that the railroad may extend its freight yards over the city of South Amboy. It is now the task of the Highways Transport Committee to persuade the officials to make this change.

SOUTH AMBOY.

The United States Housing Commission is planning to build five hundred houses at Erston. These houses will accommodate the workers from the mine munition plants in this vicinity. They will prove a material advantage to the people of this city, especially the business men. These houses are being constructed with the utmost care and attention to safety and sanitary condition.

Harry South, aged 34 years, departed this life Sunday, October 20, after a brief illness of pneumonia. He was a member of the Brotherhood of Railroad Trainmen. He is survived by a widow and two children. Funeral services were held on Wednesday, the Rev. J. E. Shaw officiating. Interment was made in Christ Church Cemetery. J. J. Scully being the funeral director.

Mrs. Louise Marshall, wife of Joseph Marshall, departed this life on October 22, at 7:30 A. M., at the city hospital, from pneumonia. She resided in the Mechanicsville section of the city and had a large circle of friends. Beside her husband she is survived by two children, Joseph and John. The burial took place in St. Mary's Cemetery on Thursday afternoon. P. A. Maliszewski was funeral director.

There was a special meeting of the Christ Church vestry Sunday morning, October 27th, at 11 o'clock. Michael Nucle of this city, who left October 19 for Fort Slocum to enlist, spent the week-end with relatives in this city. For many years Nucle has been identified with the South Amboy Terra Cotta Company and held a responsible position with that firm.

Registrar of Vital Statistics William J. Nagle, of this city, is confined to a hospital in Newark with pneumonia. During his absence his place is being filled by George Kross, the secretary of the Board of Health, and candidate for office of Councilman of the Second ward.

EDWARD FIELD DIES IN CAMDEN

Edward Field, formerly of this city, died last Tuesday of influenza in Camden, where he had been five years. The deceased was a member of the Elks of Lodge 263 and leaves a wife and baby boy who were taken to a hospital last night in the same city, to die of the same disease.

The funeral of the former New Brunswicker was held yesterday afternoon at 4 o'clock, the Elks taking full charge and there being a great number at the funeral.

Only two weeks ago Edward Field was in this city. Both the wife and child are now seriously ill. The latter before her marriage was Miss Etta Greenwood, of New Street, this city.

The relatives of the deceased in New Brunswick can not find words to express their appreciation of what the Camden Elks did for Edward Field during his illness, the constant attendance given him, the securing of a nurse and doctor, arranging for his removal to a hospital, the complete arrangements made for the funeral, the wonderful floral tributes, the services and interment in the beautiful Elks rest in the Camden cemetery. The Camden Elks have also sent the wife and son to the hospital and are seeing that they get the best of care possible.

SOUTH RIVER NEWS AND ADVERTISEMENTS

Influenza Epidemic Under Control Now; Few New Cases

SOUTH RIVER, Oct. 28.—The Spanish influenza epidemic is well under control, due to the excellent work of the South River and the Sayreville Boards of Health, the Red Cross Society and the efficient service rendered by the emergency hospital. No new cases were reported yesterday from South River and only three patients were admitted to the hospital and they were from Sayreville. In all 132 patients have been treated. Of this number 16 have died, 59 have been discharged as cured and there still remains 26 in the three wards. Most of them are convalescing rapidly and will be sent home within a few days.

Glady Sassaman Injured in Auto Accident. Miss Glady Sassaman the five-year-old daughter of Mr. and Mrs. Ruben Sassaman, was injured Saturday in an automobile accident that happened at the entrance of the Washington Hotel driveway. The little girl had been visiting her father's tailoring shop in the Gordon building and was on her way home when a Ford, owned by John C. Peice and driven by William Knight, collided with her at the crossing. The little one was thrown to the ground and when picked up her father was unconscious. She was taken to the office of Dr. A. L. Wood who examined the little one's body and found that she had been badly cut about the head. She bled profusely from the right ear and it is thought that she has been injured inwardly from the impact. She also sustained a rupture on her right side.

Churches Were Opened Yesterday. Services were held yesterday in all of the local churches as the result of the Board of Health lifting the quarantine ban which went into effect with them on September 23. Rev. H. T. Fisher, who was seriously injured in an automobile accident on Tuesday, was unable to preach during the day. His place was filled by Rev. Mr. Mason. Rev. Mr. Fisher assisted by taking charge of the preliminary service.
