HOME DRESSMAKING.

The Burnoose Drapery Easy to Manage.

GOWN OF BLUE BROGADED CRAPE.

Even the home dressmaker can make a graceful skirt if the burnoose drapery is used—that is, the drapery which is effected by drooping doubled over loops of the material from the belt.

In this afternoon gown of navy blue brogaded crape the effect of the burnoose drapery is very good. A petti coat of plaited satin, over which the brogaded crape is draped, is short enough to show the buttoned boots of black satin.

SAY BACKBONE OF STRIKE IS BROKEN

(Special Dispatch to Home News.) PITTSBURG, Dec. 2.—Signs of activity in the Homestead and Braddock plants of the Carnegie Steel Co., where the trainmen are on strike, were evident to-day. The Homestead works started last night with 200 new men.

Steelmen are confident that the backbone of the strike is broken, but much depends on the stand taken by the strikers at their meeting to-day. Up to the present they have been firm in their determination to force the company to reinstate the three men discharged for circulating petitions for higher wages. The discharge of these three men is now the strikers' only grievance, as they have been granted the wage increase for which they asked.

S. S. WORKERS HERE SATURDAY

County Association Met in Christ Church Parish House — Rev. White the Speaker—Tea Served.

The Middlesex County Sunday School Association of the Episcopal Church held a meeting in the Parish House of Christ Church, this city, on Saturday afternoon. The meeting was well attended, and a large number of churches were represented.

The members of the association hoped to hold a rally day in this city, some time in the near future, but owing to the fact that there is to be a rally day held in Trenton soon after Easter, the thought was dropped for this year. It was decided to hold a "Quiet Day" on the third Saturday in February, which is also the third Saturday in Lent, and this will take the place of the regular business meeting.

Each association is giving one dollar toward the summer school, which is held at Gladstone, N. J., and the members of this association also decided to contribute.

Rev. Elliot White, rector of Grace Church, Newark, gave a very interesting and instructive talk on the "Aim of the Sunday School." He told the manner in which the Sunday Schools under his charge are taken care of. They are similar to a public school, where the pupils advance class by class, and finally graduate and receive diplomas. A number of questions were asked Rev. White, which he answered very readily. A tea was served by the teachers of the Christ Church Sunday School after the business meeting.

The ONLOOKER WILBUR D. NESBIT

New gold, old gold, dull gold and bright—Gleaming on the maple trees that stand upon the height; Red gold and brown gold poured upon the leaves.

'Till they are as tapestry that aways in wonder-woaves. Is there any other time in all the year at all Half so marvel-fine as are the golden days of fall?

New gold, old gold, gold robe and crown, With a woodbine's scarlet gold to trace it up and down; Grape leaves glistening with a golden bronze, Filled in silver gray in the frosty dawn—

Out across the stubbled fields the quail sends forth its call— Life is worth the living in the golden days of fall. Gold here, gold there, blazing fine and fair, Golden sparkles dancing through the golden-winey air; Gold buds and gold blooms where the flowers stand, Spicy-pungent with the scent they fling across the land— Golden rod and golden fruit to heap high in the hall— Nature is a Croesus in the golden days of fall.

Quick Heat SQUARE POT BOILERS

develop full heating capacity in a few moments and are rightfully called "quick heaters." The reason can be seen by a glance at the sectional view herewith. Interior surfaces in SQUARE POT BOILERS are brought low, in direct contact with the fire, and also trend sharply upward, thus providing instantaneous water heating and lively circulation. The result is a free-steaming boiler that gives quick and satisfactory house heating.

SQUARE POT BOILERS are economical of coal, require little attention and are easily regulated for either mild or severe weather. Call on the nearest dealer for a full demonstration.

No More Constipation

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and Calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing laxative. No gripping is the "keynote" of these little sugar-coated tablets. They cause the bowels and liver to act normal. They never force them to unnatural action.

Dr. Edwards' Olive Tablets are so easy to take that children do not regard them as "medicine" at all. If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and constipated, you'll find quick, sure and only pleasant results from one or two little Olive Tablets at bedtime. They're perfectly harmless.

NEWTON GIRL

Pale, Run-down, Anaemic—Restored to Health by Vinol.

Miss Katherine Burns, of Newton, Mass., says: About six months ago I was in a run-down condition and my blood was very poor. I had taken several medicines prescribed by physicians, but they seemed to do me no good. Finally Vinol was recommended, and from the first bottle I noticed a great improvement. I have taken six bottles and I feel strong and as well as ever."

Vinol is the greatest body builder and strength creator we know of—the curative element of the cod's liver, aided, by the blood-making, strengthening properties of tonic iron contained in Vinol, restore the lacking ingredients to the blood, and the result is health, strength and vigor.

If you need building up try a bottle of Vinol with the understanding that your money will be returned if it does not help you. Rust's Drug Store, W. W. Miller, Prop., New Brunswick, N. J. Vinol is sold in South River by South River Pharmacy. P. S. If you have Eczema try our Saxo Salve. We guarantee it.
