Constance Talmadge, Wed Last Sunday, Starring Today at Opera House

Constance Talmadge, whose wedding to a wealthy merchant last Sunday was announced today, is the star in "Good References" which is now playing at the Opera House. In this play she takes the role of Mary Wagon, until recently the daughter and secretary of an industrious novelist, but one whose books never sold, finds herself in the shabbiest kind of a boarding house with five dollars between her and the cruel cold world.

Mary tries to stall the landlady on the board-bill, but a little cooker on which she had been doing some forbidden cooking, and which had been thrust under the bed at the approach of the enemy, sets fire to the counterpane, making it doubly incumbent on the old lady to give Mary the air and call the fire engine. Complications follow which make the play exceedingly bright and amusing.

Dalton and Craig appear in a very classy musical comedy, "Aladdin's Lamp," which is full of surprises and unusually clever.

Jones and Jones, as the two Southern levee boys, have an act full of racy with some good dancing.

Edward Larson and Marie Allyn have a song act that is unusual and will prove very attractive.

Jack Conway and company have a comedy playlet entitled, "The Cellar." This will be found very amusing and full of good stuff.

Look and Feel Clean, Sweet and Fresh Every Day

Drink a Glass of Real Hot Water Before Breakfast to Wash Out Poisons. Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the simple hot water bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, etc. Instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, wastes and acids and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach troubles, rheumatism, others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug stores which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.—Adv.

COUNTERFEIT \$10 BANK NOTE  
NEW YORK, Dec. 29.—The Federal Reserve Bank of New York called attention to another new counterfeit \$10 federal reserve note in circulation. It is on the Federal Reserve Bank of New York, check letter E, face plate No. 487, with the signature of D. F. Houston, Secretary of the Treasury and John Burke, Treasurer of the United States.

This counterfeit is made with photographic face and made back, on fair quality paper, without silk threads of imitation of them. The ink work is poor, but officials say it will deceive those not accustomed to examining their money.

CARD OF THANKS  
We wish to thank our kind friends and neighbors for their kindness and sympathy shown during our recent bereavement, the death of our mother, also all those who sent beautiful floral tributes.

### Garage Bill In Dispute Today In District Court

Abraham I. Skirloff of Church street was a litigant in the District Court before Judge Freeman Woodbridge today, coming into court as a result of a dispute over a garage bill for \$198. Harris A. Jamison, a local garage proprietor, was the other party to the action.

Skirloff took his automobile truck to the garage of Jamison to be repaired. He claims that he specified certain repairs, while Jamison contends that he was instructed to overhaul the truck. When Skirloff applied for the truck on December 29, Jamison tendered a bill for \$198. Skirloff refused to pay and tendered a check for \$40. The tender was refused and Jamison retained possession of the truck.

The truck remained at the garage until Skirloff secured a writ of replevin. He obtained possession of the truck on December 29 and today the case came before the court for settlement. Judge Woodbridge was called upon to determine whether or not the bill rendered by Jamison was just and a mass of testimony was given.

Walter C. Sedam appeared for Mr. Jamison and August C. Streitwolf for Mr. Skirloff. At the time of going to press the case had not been completed.

### Uncontested Judgments.

Three judgments in uncontested suits were allowed by Judge Woodbridge as follows: Swift & Co. against Eugene Ganzler for \$21.08. Howard Reynolds appeared for the plaintiff.

National Alumni Co. against Frank K. Bennett for \$100. Howard Reynolds represented the plaintiff.

Sanitary Beef Co. against Ernest Travers for \$21.64. George H. Plechner appeared as counsel for the plaintiff.

### Liquor Worth Million to be Sold to Highest Bidder in New York

(By Associated Press.)  
NEW YORK, Dec. 30.—Liquor of all kinds, valued at a million dollars, seized in this district since prohibition went into effect, was today ordered disposed of without delay by Charles O'Connor, federal prohibition agent. The liquor will be sold to the highest bidder but bidders will be restricted to physicians, hospitals and other institutions authorized to purchase it for non-beverage purposes. Wood alcohol will be officially spilled.

### AIR AND THE NAVY

CAPT. T. L. CRAVEN

Aviation forms as large a part of naval work as of army training these days. Uncle Sam is putting in charge of his battleships men who understand aviation thoroughly. Captain T. L. Craven, who has been director of naval aviation, has just been ordered to sea in command of a battleship. Captain W. A. Moffett is the new director of naval aviation.

### Bucleuch Skating Depends Upon the Whim of Jack Frost

The youngsters and the grown-ups well would have had some fine skating at Bucleuch Park on New Year's Day if Jack Frost had not played pranks with the plans of Commissioner Joseph J. Feaster. It was planned by the Commissioner to transform the tennis courts into a veritable skating rink by flooding them with several inches of water, but Jack Frost took to cover today and plans have been discarded for the present.

Commissioner Feaster stated this morning that all arrangements were completed yesterday for flooding the tennis courts, but it was discovered there was not sufficient frost in the ground to permit the flooding. Just as soon as the weather will permit, the courts will be flooded and then the youngsters and grown-ups who delight in ice skating will have the opportunity of enjoying this sport without any contingent dangers.

Ice skating at Bucleuch Park was a huge success last year. The courts were crowded daily. By scraping the ice and flooding the courts nightly, some fine smooth skating was assured, which was enjoyed by hundreds from all over the city.

### GRANT ADMINISTRATION

Surrogate Clayton today granted to John Bartholoma of this city letters of administration on the \$400 estate of the applicant's deceased father, John Bartholoma, Sr., late of New Brunswick. The latter leaves a widow and four children.

## N. Y. POLICE WILL LET MILLTOWN BANK ROBBERS COME HERE

(Continued from Page One)

oners will then be committed for thirty days pending extradition. As Judge Daly will not return until January 7 there will probably be no attempt to bring the men back before that time, but they will likely be indicted by the Grand Jury on that date and then brought back as soon as the extradition proceedings can be arranged.

Wanted in Westchester.

Police officials in Westchester County reported yesterday that Chaffee and Bitzberger were believed to be members of a band which has looted many homes in that county. Soon after Voorhees and Watson were arrested the fingerprint expert of White Plains said that the men's finger marks revealed their connection with robberies there.

The police of New Rochelle were seeking Voorhees and Watson for burglaries there as a result of a confession by Arthur B. Clayton, recently sent to Sing Sing, who implicated them.

Fingerprints on a safe in Pelham Manor, robbed of Liberty bonds and jewelry valued at \$5,000, were believed to be those of Chaffee and Bitzberger, it was said.

The men also are alleged to have participated in the robbery of \$7,000 worth of clothing from the store of Charles Wellers at Peekskill and of \$5,000 worth of liquors from the country home of Harold Stearns at Tarrytown. Several other suburban robberies are attributed to them.

Inspector Coughlin received word from Pittsburgh last night that Bitzberger's real name was Lloyd Henry Bitzberger, and that he was the son of John P. Bitzberger, a wealthy plumber of Lancaster. Bitzberger appeared in Lancaster last October and soon afterward a bakery was robbed and \$3,000 in Liberty bonds taken from a safe.

On Nov. 11 Bitzberger was married at Harrisburg, and five days later the First National Bank at Landisville, six miles from Lancaster, was entered and between \$100,000 and \$150,000 in negotiable securities taken. Bitzberger disappeared on the day of the robbery.

It is believed that Bitzberger was not connected with the big Sleepy Hollow robbery, as he did not meet Voorhees and Watson until after that time, but he is thought to have operated with them in later Westchester robberies.

It was learned today that the automobile used by the gang in the Milltown robbery was purchased by Chaffee with money furnished by Bitzberger by Voorhees and Watson.
