its oath. Personal opinion about the law or what the law should be, personal ideas of what justice should dence of careful training, were well its oath. Personal opinion about be, have no more right to be enter- received. tained by the jurymen than by the judge, because it is the established law that must control.

This nation has been built up on the basis that we have a government of laws and not of men, and the place, beyond all others, where

"But twice in my experience of ten years as trial judge of the county have I been forced to reach such a drastic extreme as the discharge of a jury because of responsibility in a given case for miscarriage of justice and even in those cases it subsequently developed that the most of the twelve men were led to the false agreement through cunning jury box oratory and the inflammation of prejudice and passion from one or two of the members. But this does not excuse the others as each memher is individually responsible act solely according to the f brought out in court and the law

governing their determination.
"Still in the cases referred to the action of the Court not only re-flected so seriously, though justly, upon the honest but weak or thought-less members of the juries dis-charged, but also carried the discredit to their immediate relatives, that this is the reason why I say it is almost a frightful thing for a Court to be compelled to drive a jury out of the court as recreants to

Since, unlike a civil case, I cannot reverse the verdict when it is in favor of a defendant charged with crime. I do, however, in this case publicly repudiate the verdict as beng indisputably against the facts and the law."

The jury that tried the case was composed of A. Beckoff, William La-tham, J. W. Crane, Joseph Gibbons, John Collins, Leon McElroy, E. C. Rolfe, Frank Ritter, Calvin Hill, W. H. Hoy, C. H. Huston and C. A.

## Care of Parks.

A communication was read from N. G. Vreeland, asking for consideration of the appointment of a verbally that the request was pre-slight. sented at the instance of a number of gentlemen who had discussed the necessity of official care of the various parks of the borough so as to

He also told of prevailing con-ditions where boys playing in the public streets were in danger from passing automobiles. Owing to the lateness of the hour, no definite action was taken.

The collector reported balance of \$1,360.86, the treasurer a balance of \$4,491.06, with \$294.60 in street labor fund.

The recorder reported fourteen cases, but did not total the fines,

behalf of the joint memorial project and asked for permission to use the borough plot, corner of Main street and the Highway, for the erection of a flag pole, a memorial tablet for the soldiers and sallors of the late war, and the installation of a German war gun. He explained that the Jr. O. U.

A. M., the Home Guard and the American Legion were working together, with the intention of having the dedication ceremonies on July 4. He put up an earnest plea for prompt action and the council by a unanimous vote granted the use of

## Deans News Notes

DEANS, May 3—A play entitled "A Case of Suspension" will be given in the chapel at Deans tomorrow evening at 8 o'clock, standard time. The cast of characters is as follows:

## 44-Hour Week For Printers Is Put Into Effect

The new forty-four hour week at the same pay as formerly for job printers, pressmen, linotype operators and stereotype operators went

Not a single shop in the city re fused to abide by the forty-four hour week. The contracts were signed last January, but they did not become effective until May 2. was stated by representatives of the local printers' union to-day that the master printers were perfectly satisfied with the new schedule and signed the contracts without friction.

The printers voted through a national referendum for a forty-four hour week. The proposition was put up to the master printers, who in some instances accepted, while in other instances turned the proposition down flatly.

The acceptance by the employers in the larger cities yesterday in the printing industry of the forty-four hour week averted a nation-wide strike in the book and job printing shops, although isolated strikes in newspaper plants and job printing offices had been called to take effect to-day. In Morristown and Madison four newspapers which determined to establish the open shop rather than yield to the union's demands without sufficient workmen yesterday to fill the union men's The two Morristown dailies, the Jerseyman and the Record, have combined for publication, and were scheduled to come out as one

issue until the question is settled. About forty men are affected by the forty-four hour week in New Brunswick. As a result of the new order of things, the Home News will be published at noon every Saturday hereafter.

### Second Dutch Guild to Give Plays Thursday

The Young Women's Mission Guild of the Second Reformed Church is planning to give an entertainment in the church chapel on Thursday even-

ing, May 5, at 8 o'clock.

The program includes two short plays—"Hannah Gives Notice" by Alice C. Thonipson and "The Bur-glars" by Margaret Cameron and ments, including delegations from for "Hannah Gives Notice" consists the South Metuchen League and its of the Misses Maud Schenck, Eliza-Women's Auxiliary.
