HOLSTEIN MILK

Nearest Mother's Milk

The able of a most con cow is totally unlike the mik of any other cow, it contains less fat and more body building solids. It is easy for the most delicate or youngest stomach to digest because it forms a cur not tough and greaty, but soft, tenfer and fasty. It is the most nearly perfect substitute for mother's milk of all cows milk. The Holstein cow is healthier, stronger, bigger and ionger lived than any other cow. She has the lived than any other cow. She has the hardiest bables of her own, and her milk is full of strength for human hables too. If you have a little baby especially one that is not strong and well, you should

RYDER'S LANE AGAIN WANTS LIGHTS.

The residents of Ryder's Lane once more petitioned the council for street lights, claiming that at night the lane was so dark that it rendered traveling precations for man and horse. When this matter was brought up several months ago in the council meeting, the motion to light the thoroughfare was voted down. The communication was accepted and placed on file.

OUNCIL AFTER PUBLIC SERVICE. COUNCIL AFTER PUBLIC SERVICE. A motion was made last night to notify the Public Service Corporation to remove the blind ditches, formed of cobblestones, on North Main street, within ten days. In July, Borough Clerk Harkins notified them and received an answer to the effect that they would be removed. Nothing bas yet been done and the condition of the roal is at present a danger to the traveling nublic.

TO ESTABLISH RULES FOR LIGHTS.
The Mayor appointed the Council To committee to meet with the attorney and establish rules and regulations for the minicipal electric light system. These ment takes out the soreness and drives rules will cover the misimum cost of light; away the pain. Sold by Watman's Pharper month, the running of motors by the macy.

PETITION TO GRADE BOORAEM AVENUE.

The proposty holders of Booraem avenue petitioned the Borough Council that the thoroughfare be graded. Later in the evening a resolution was adopted to establish such a grade and the ordinance was passed on its introductory reading. IS RIVA AVENUE TO BE IMPROVED A petition was presented before the council last evening sizeed by the property holders on Riva avenue, asking that the avenue be widened seven feet. The request also contained a statement that the propertyholders who signed were will ing to donate to the borough \$1.2 feet of their frontage for the work.

Mrs. F. W. Overhiser was sent as a delegate by the local W. C. T. U. to the convention held in Newark this week. The Ladies' Aid Society of the Baptist Church will hold a chicken supper on Wednesday evening. November 2th. The

nual supper of the other churches will not conflict with this date. Charles Wheeler, of New York City who was hired as chauffeur of the omni-

bus by the Suburban Transportation Co. has returned home owing to the machine being seemingly unfixable. This news was received with much disappointment to the people of South River and surrounding towns.

There has been a new Thatcher range in stalled in the M. E. parsonage by the Ladies' Aid Society. This is one among many other modern improvements that have been made during the past year under the management of the President, Mrs. James Lyle.

James Black has made room in his grocery store window for a new electric coffee grinder and meat chopper which he will install in the very near future. This will be the first of its kind in the borough, but the other wide awake up to-date dealers are thinking the proposition over.

Harry Gilmore, manager of Manahan's livery stable, announces his engagement to be married on the 26th inst., to Miss Mary Bloodgood, of Newark. Mr. Gilmore had planned to reside in Newark after being married but owing to his business being in South River he will reside here. He will occupy the flats on the third floor of the lunch room. His many friends wish him success.
