The species of the monument erected was the declared with the work white the monument of the the declares before the uncertical by the the monument of War Time," Declare

the struggle against militarism and autocracy.

The feeling of the community was voiced by Major Case, commanding officer of the Raritan Arsenal, and Prefessor John H. Logan of this city, which addressed the hig assemblage which gathered near the monument at the corner of Sixth and Raritan avenues.

"This is not only a holiday but a holy day," declared Major Case in reminding his hearers of the rejoicing that followed the victorious close of the war marked by the signing of the armistice in 1918.

"This monument stands as a perpetual reminder of the spirit of the men who offered their lives in the war against militarism, the ideals for which they stood and so long as it stands there the memory of their sacrifices will never fade from the hearts or minds of the community." he declared that the monument was a mark of the speaking the days of peace. The nation is in the days of peace. The nation is in seed of just such qualities now."

He declared the more should be carried of the speataneous outrouring the days of peace. The nation is in seed of just such qualities now."

He declared that the ment was a mark of the speataneous outrouring or rejoicing on the part of the borough.

"This monument stands as a perpetual reminder of the spirit of the men who offered their lives in the war against militarism, the ideals for which they stood and so long as it stands there the memory of their sacrifices will never fade from the beginned to the borough.
