

SAYREVILLE.

Express Service Strongly Urged By Mr. Taylor

SAYREVILLE, April 18.—At a meeting of the township committee at the town hall Wednesday evening Mr. Taylor, a well known resident, brought before the board the question of an express service for Sayreville. He said that the town is badly in need of a thing of this sort and that all the express is carried through the town and then delivered back again a few days afterward. This is hurting the town, said Mr. Taylor, and he asked why can't this express business be started. He was way behind the times in Sayreville, and we ought to wake up now before it's too late. The only way to make Sayreville anything is to get together and have our own express service. A reply was received from the T. A. Gillespie company in regard to the employment of town residents. They said that they have nothing to do with it as the plant was turned over to the war department on January 28, last, but will try their best and have this matter taken up and see that the residents of Sayreville receive employment. Also said that they had appreciated the work that Sayreville has rendered them in the few years of the plant being erected. Miss Beattie Tice, representing the Josiah Tice Corporation, gave the committee some few points in regard to the corporation and said that on the death of her father all deeds, etc., were turned over to the corporation, and it was a hard matter to have things put in shape again. She brought with her all the maps, data and all other papers she could find that belonged to Sayreville township. Miss Tice said that there was a misunderstanding in regard to the township work and that was the reason some was delayed as long as it was. After the death of her father quite a number of maps, profiles and other important papers had been taken and she was unable to produce them as the township wished. Miss Tice also

said that on account of the government taking their work over, they didn't do any other work until the latter part of March. Mr. Quaid gave a few points as to why the tax maps were necessary. He said that they could call one, neither is there a place that you could land a sack of potatoes in a row boat, and yet we have 80 feet of water frontage, and there are many more things that are badly needed in this town.

Fire House to Be Remodeled. Mr. Holsworth, member of the Sayreville fire department, asked the committee if they wouldn't have the fire hall painted and a few improvements made. Same was turned over to the chairman of the hall committee, Henry Boehm, and he is to see that same is done in first class shape. Also that new doors are placed in front of the fire house.

Plans were again talked over as to the homecoming celebration, and Chairman Clark said that a special meeting will be called within a week and will arrange a date as to the canvassing of the town. Mr. Hartman also addressed the members in regard to this matter and made a few statements as to what kind of a time should be given these boys.

Mr. Hartman, chairman of the road committee, said that he expects the No De Worm tractor to be here within a week and considerable work will be done, and also said that he will keep the roads in first class shape with but little help and sacrifice on the part of the people and that all should get ready for clean-up week. Clean up the yards, sidewalks and all necessary things around the house. The tractor will be purchased from the Union Garage Company, Perth Amboy, and the cost of same will be \$2,495.

The homecoming bills were ordered paid: Chris Keegan, \$48; George Gross, \$45; H. Oleson, \$45; Max Miller, \$45; C. Oswald, \$45; John Hart, \$45; G. W. Freucher for the G. A. R., \$20; Frank Postner for the G. A. R., \$20; Thomas Ryan for fighting fire, \$5.50; Sayreville Electric Light and Power Company, \$12.30; H. Becker, \$45.40; Louis Becker, \$16.25 for work on roads; George Norman, machine hired, \$3; American La France Fire Engine Company, \$31.17. The meeting adjourned until May 7. Community House of Sayreville. The old Community House of

Sayreville is soon to be remodeled with fresh paper on all the walls, a large club room on the first floor with a player-piano, victrola, comfortable chairs, settees and a big homey fireplace, besides other comforts that will be enjoyed by all the community, both young and old. In addition to the main building will be the live room cottage to be used for the different clubs.

WAR PUZZLES

K A R L

EMPEROR KARL OF AUSTRIA Vowed a church to our Lady, Queen of Peace, if the war should be ended shortly, two years ago today, April 18, 1917. Find an Austrian soldier. YESTERDAY'S ANSWER Upper right corner does between men

Great Photoplay and Star Comedy Sketch at the Opera House

The faith of a man in a woman when he loves her passes understanding. He believes in her utterly and the more simple his nature the stronger his faith. This is depicted very beautifully by Rex Beach in his new photodrama "The Brand," which is now at the Opera House with Kay Laurell of "The Follies" as the star. A deep student of human nature, the novelist knows people quite as well as he knows the great plain doors. "The Brand" is a tale of Alaska with all its primitive passion and conflict born of the great frozen north. The people are possessed of simple code. It is founded on justice, first of all, and chivalry and generosity. Rex Beach spent many months among them gathering material for the novel from which his photoplay is adapted. La France and Kennedy as black-faced comedians have a great act. It is entitled at the Ebony Club, and has to do with prize fighting. There are more hearty laughs crowded into every minute than one can imagine is possible. The entire act is a scream from start to finish. Fred C. Clinton introduces Janet of France in a little musical playlet. Janet sings in French and she "speeches" in the same way. There are a number of musical numbers making up a very fine show. Mont and Partl, the boys from Melody Lane, are clever musicians. The Topics of the Day and the Universal Current Events are on the program as usual as interesting as ever.

MILLTOWN.

Oil Stove Explodes and Threatens Home

MILLTOWN, April 18.—What looked for a time as though it would spread into a dangerous fire and necessitate the calling of the fire company started yesterday morning at 10.30 a. m., at the home of Frank Reed, on Washington avenue, when an oil stove exploded on the second floor of the building. Miss Helen Zogg, a sister of Mrs. Reed, who was in the room at the time, showed her thoughtfulness and grabbed the stove and threw it out of the open window, but in doing so the flames set fire to the weatherboards and then Miss Zogg gave the alarm. Luckily Chester Okeson, an employee of Russell's Card Company and Percy Lias, chauffeur for Dr. Forney, were in front of the house at the time and they rushed to the Raritan River Railroad station which is next to the place, and got the big fire extinguisher from the railroad and did splendid work, assisted by the Raritan River railroad employees, so the fire got no headway as only the outside of the house and the house were burnt. The place is owned by Henry Kuhlthau.

Paying Taxes.

Borough Tax Collector John Christ calls attention to the collection of taxes this year which is to be made by installments of two payments, in accordance with the Pierson Act. The payments are due on June 1st, and December 1st, owing to the new law the tax bills may be late in being sent out but as soon as the people receive their first bill they will know that it immediately becomes due, for if it is not paid by June 1st, it becomes delinquent.

Eight candidates will be given the Warriors degree at the Improved Order of Red Men's lodge room tonight by the warrior's degree team, which promises to be another good night in lodge circles. Those who will receive the degree are: Oscar Christ, Frank Witkowski, George Wilson, Howard Moore, Charles Crabel, Miles Geer, Elwin Matlack, and George Whittle. Personal Mention.

Ground has been broken by Charles Lins on the Kuhlthau Terrace, upper Main street, for the erection of a beautiful homestead.

Miss Dora Harkins was a Newark visitor yesterday.

Mrs. Jacob DeHart, of School street, has been called to the bedside of her aunt, Mrs. Cottrell, of Jamesburg, who is well-known here. Mrs. DeHart's Lin spent Thursday with friends in Newark.

"THE NEW THINGS FIRST"

Health and Happiness

Women of today seem to listen to every call of duty except the supreme one that tells them to guard their health. Home duties, church duties, war activities, and the hundred-and-one calls for charitable enterprises soon lead women to overdo. Nervousness, headaches, backaches and female troubles are the inevitable result.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which, added to my weak condition, kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound that my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness. Health and happiness? Yes, I have both now."—Mrs. J. WORTHELYNE, 2842 North Taylor Street, Philadelphia, Pa.

The majority of women nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. Avoid them by taking in time
