BOWEL POISON.

Thousands of Men and Women
Poisoned and Don't Know It.

HOW TO FIND OUT.

Bowel poison means blood tainted by foul
secretions absorbed from the bowels. Here
are the symptoms:

If your skin is disfigured by eruptions, hu-
mors, pimples, blotches, sores or eczema; if
you feel tired and worn out; if your
nerves are weak, constipated, cross and de-
pressed; if your head feels heavy and aching; if
your eyes blur and specks float across your vision; if
you have cold feet and your hands get sweaty
and sticky—if you have these danger signals they
point unerringly to bowel poison, impure
blood, and show that your stomach, liver and
bowels are not working right.

Smith's Pineapple and Butternut Pills are
what you must have to make your bowels
right; they will remove the impurities from
your blood by toning up the liver and bowels
so that they will perform their functions natu-
rally and regularly. They cleanse and invig-
orate the blood by stimulating the sluggish liver
and regulating the bowels by their gentle laxa-
tive action. They are a sure and unfailing
cure for bowel poison in young or old.

Smith's Pineapple and Butternut Pills cure

night, 25 cents, all dealers.

THE HANDSOMEST WOMEN IN NEW BRUNSWICK

How a Discussion of Beauty Led to a
Surprising Discovery.

A few days ago a group of the best
informed people about town were dis-
cussing the comparative beauty of the
many charming women in New Brunsw-
ick. One of them expressed curiosity
to know why the standard of female
loveliness is rising so rapidly in this lo-
cality; why complexions are so much
clearer, eyes so much brighter, and most
cheeks blushing rosy red with health
and vigor than were ever seen in the old-
en days. It was finally decided to refer
the matter to Druggist Bradley for his
opinion. "Why, I can tell you," said the
druggist promptly. "It is all the result
of a certain prescription—the most won-
derful I have ever known in all my long
experience. The remedy is a gentle laxa-
tive that contains valuable tonic and
cleansing properties, together with cer-
tain other alternative effects that tend to
clear up the skin. Pimples or a blotch-
ed, sallow or muddy skin simply cannot
exist where Laxakola Tonic Tablets are
used. This is so sure that I am author-
ized to positively guarantee it, and the
many who have tried it are uniformly
delighted with the result. I am selling
it at 25 cents a package, and pay the
money back if not satisfied."

Metuchen.

METUCHEN, Aug. 19.—The ground
was broken Thursday for a new brick
building at the corner of Main street and
Middlesex avenue. From this site, a few
days ago, Mr. Danforth's store was re-
moved. This store was used as a boot-
legger's building before the time of the
Pennsylvania Railroad, when Middlesex
avenue was the main line of travel
through Metuchen, between Philadelphia
and New York.

Sayreville

SAYREVILLE, Aug. 19.—A great time
was had at the German Sunday School
picnic Thursday. It was postponed Wed-
nesday on account of rain. The children
enjoyed the games that were brought up
by the teachers of the Sunday School.
At half past three the children were
treated with ice cream, and at six they
got their supper. It is supposed that
will just about clear their expenses as
near as can be estimated. Pastor Able,
who was here while Pastor Stier was
sick, was at the feast and later he went
to New Brunswick, where he will stay
a while.

The Cuyah family had a day's outing
to Boynton Beach.

Charles Karvart, of Sayreville, is sick
with scarlet fever.

May and George Griggs are visiting
friends at New Brunswick for a few
weeks.

SAYREVILLE, Aug. 19.—The German
Presbyterian Church held their picnic
Thursday afternoon and evening. The
afternoon was given expressly for the
children, while the evening was enjoyed
by the older people. Games were played,
such as tug-of-war for the boys and
hoops and tag for the girls. The
evening was spent in playing wild games.
After the games there was a supper
given, consisting of potato salad and
frankfurters, a regular German dish.
Miss Lena Hanson gave a few opera
pieces on the organ. Edward Albert had
charge of the candy stand. He did not
make much because he ate all the profits
himself. Rev. R. Stier had charge of
everything.

There was an excursion went out last
evening to New Brunswick on Mr.
Thomas' launch. About ten young men
went to the city to a party. A. Potraz
played the accordion and all enjoyed
themselves.

Milltown.

MILLTOWN BRIDGE IS FALLING DOWN

MILLTOWN, Aug. 19.—The Milltown
bridge is being torn down now. Start
was made yesterday. Look out for "an
injunction which will act as a stay of
proceedings," when it gets so we will
have to jump over from pole to pole, or
walk over on the ice. Nearly every large
structure has to go through the courts
before completion, you know.

The German church picnic was a great
success in every way. We are told "Ev-
erything was eaten up except some bot-
tles of soda water."

Rev. W. T. Barny will preach in his
German church both morning and evening.

In the Methodist Church, Rev. George
S. Sorber, of the Dutch Reformed church
at York, Pa., will preach in the morning
and the pastor, Rev. J. E. Shaw, will
preach in the evening.

Rev. Mr. Shaw attended the opening of
the camp meeting services at Ocean
Grove, Friday.

Mrs. Jos. A. Headley and her niece,
Miss Mabel Hagaman, of Blackwell
Mills, visited relatives in Elizabeth this
week, and enjoyed as best they could
the long trolley ride in the rain.

The J. A. C. Club of Milltown will
hold their first grand picnic in the Mil-
ltown grove opposite Parsons Grove, on
Saturday, September 2.

GRAND CIRCUIT RACES.

Track Record at Poughkeepsie Bro-
ken For Third Time.

POUGHKEEPSIE, N. Y., Aug. 19.—
Horsemen who have followed the grand
circuit are of the opinion that the races
at the Hudson River Driving park were
the best of the season.

The three heats of the 2-96 pace, one
in 2:04 and the others in 2:04½, consti-
tuted the three fastest heats on the
grand circuit this season. They also
lowered the pacing record of the track.

For the third time this week the trot-
ting race record of the track was broken,
the new mark of 2:06½ being
made by Tiverton in the free for all.

This race, the most important of the
meeting, brought out the grand circuit
rivals, Tiverton and Sweet Marie, with
George G. and McKinley. Sweet Ma-
rie was made favorite in the pool sell-
ing at \$100, with Tiverton for \$70 and
the field for \$25. Tiverton won both
heats, Sweet Marie breaking badly in
the first on the back stretch and again
in the second at the three-quarters.

Only one favorite was successful in
getting first money. That was in the
2:24 trot, in which Albert C. was fa-
vorite at \$25 to \$15 for the field. The
favorite was not good enough for the
first two heats, which went to Gate-
way, but Albert C. got his gait in the
third and won thereafter the required
heats, every one of which had an excit-
ing finish between the place winners.

Frank Yokum was favorite in the
2:06 pace at \$25 to \$12 and won one of
three very close heats, but Baron Gri-
tton showed the better speed by small
margins in the first and third heats.

Lizzie G. was favorite at \$25 to \$11.
She was a good second in three straight
heats of the 2:18 trot.

S. ANNAL KIDNAPED

Madras Brahmins Steal Mis-
sionary's Pet Convert.

HAD BEEN HIGH CASTE HINDU.

Soobonagum's Father a Noted Na-
tive—Family Celebrated Her Fu-
neral When She Embraced
Christianity.

NEW YORK, Aug. 19.—Word was
received at the office of the Missionary
society of the Methodist Episcopal
church from Bishop William F. Old-
ham, missionary bishop for southern
Asia, that on July 18 Soobonagum Annal
of Madras had been kidnapped.

For ten years Soobonagum Annal
has been the most important woman
convert from Brahminism to Christian-
ity to be found in Madras. She came
from the Pantulu sect, the priestly
class and strictest sect of the high
caste Hindus. Her father was the first
to take a double degree in the Univer-
sity of Madras. Later he became one
of the examiners of the university and
was high in the government service.

Her uncle is the great high priest over
the Salve Brahmins. Coming from a
wealthy home, she went through nu-
merous fastings and pilgrimages, cul-
minating her life of devotion to Hin-
dus by building a heathen temple near
Madras.

Her conversion to Christianity and
baptism were followed by a three days'
funeral service performed over her ef-
figy by Brahmin priests, the exercises
culminating in a burial ceremony over
the ashes of the effigy.

Soobonagum Annal spent a year
and a half in the United States, or
from April 26, 1900, to Oct. 30, 1901.
For a number of years she has been
actively engaged in mission work
among the low caste village people
near Madras, traveling always, how-
ever, in company with another woman
for the sake of protection.

It was while itinerating in her bul-
lock cart among the villages that she
was forcibly dragged from her cart on
a public road, hurried into a closed car-
riage and driven off.

In his letter Bishop Oldham says:
"We are doing all that can be done
for Soobonagum Annal's recovery,
but only those who know India can
estimate the apparent helplessness of
it all."

Bribed Man to Kill Wife?

LONDON, Aug. 19.—A great sensa-
tion has been created by the arrest of
Hugh Watt, a financier and formerly a
member of parliament for the Cam-
lachie division of Glasgow, on the
charge of attempting to procure a pri-
vate detective to assist in the murder
of his former wife. Detective Mar-
shall testified in a police court that
Watt offered him \$25,000 if he would
induce the woman to come to Watt's
flat, where he proposed to kill her by
the administration of chloroform and
then to remove the smell of the chloro-
form with peppermint. Watt was re-
mandered for trial on bail of \$3,000. The
police found both chloroform and pep-
permint in Watt's apartments.

America Keeps Canada's Cup.

CHARLOTTE, N. Y., Aug. 19.—The
American boat Troquais won the final
contest for the Canada's cup, taking
three out of five races from the Tem-
eraire. It is the first time in the his-
tory of the cup that it has been suc-
cessfully defended anywhere, which
makes the present result even more
gratifying to the Rochester Yacht Club.
In the five races sailed here the Pile
built boat Temeraire demonstrated her
superiority as a rough weather boat
and at the same time only falling a
little short of being the equal of the
Herreshoff creation in light airs.
