

## STRIKERS WANT MILITIA KEPT AWAY

(Special Dispatch to Home News.)  
BUFFALO, N. Y., April 9.—An urgent protest against the calling out of the militia which is today guarding the power plants and car barns of the street railway company, was telegraphed early today to Governor Sulzer by W. B. Fitzgerald, leader of the 2,000 car men who are striking.

According to the message the car men have been forced to strike to secure the "American right to organize for living wages."

Three regiments of militia were ordered out by Brigadier-General Samuel Welsh in response to an order of Supreme Court Justice Charles Brown calling for troops to protect property and suppress riots.

The attempt of the company to operate cars yesterday caused general disturbances. Sergeant Tenth, of the 74th Regiment, commanding a troop of a dozen mounted scouts, was fired upon by a gang of men at Niagara and Tonawanda street at 11 o'clock today. The soldiers gave chase, but were unable to find out who fired. Orders were issued from the Brigadier-General's headquarters to shoot in case men were seen to even pick up stones.

## FIGHT FOR CHURCH PROPERTY ON THE BOARDS TO-DAY

Chancery Suit to Set Aside  
Transfer of Real Estate  
by Magyar Evangelical  
Reformed Church, Before  
Vice Chancellor Howell—  
Fraud is Charged.

(Special to the Home News.)  
NEWARK, April 9.—Additional testimony in the suit of the Presbytery of New Brunswick, to have set aside on the grounds of fraud the transfer of church and parsonage property from the Magyar Evangelical Reformed Church to the National Reformed Church, both of New Brunswick, was given at a hearing before Vice Chancellor Howell today.

Rev. Dr. W. W. Knox, pastor of the first Presbyterian Church of New Brunswick, told of the formation of the Magyar Evangelical Reformed Church, which is associated with the New Brunswick Presbytery, and said there were 171 members when the congregation was taken over on recommendation of the Presbytery Committee on Synodical Home Missions, in July, 1903.

The witness traced the history of the congregation from that date to the time last summer when, under the leadership of the pastor, Rev. Paul F. Hamborsky, a large proportion of the membership identified themselves with the National Reformed Church of Hungary, taking with them the church and parsonage property, valued at more than \$70,000.

John E. Elmendorf, an official of the First Presbyterian Church, of New Brunswick, testified this afternoon concerning the deeds and other papers in the case.

Barton B. Hutchinson, of Trenton, represents the New Brunswick Presbytery, while the Hungarian Reformed Church is represented by Ex-Judge Albert L. Skinner. The hearing was not concluded and will be resumed to-morrow.

## SOUTH RIVER. SUPT. REID TENDERS HIS RESIGNATION

SOUTH RIVER, April 9.—The acceptance of Mr. Reid's resignation as superintendent of the Board of Public Works was the chief item of business transacted last night at a regular meeting of that august body.

The Board went into an executive session to consider the resignation, and it is said that they were unwilling to accept it, and tried hard to persuade Mr. Reid to retain his office, which he has filled so successfully. His resignation will take effect on May 1.

It is alleged that Mr. Reid's resignation is a result of having too many bosses and no head. The condition of the water pressure on the night of Mark and Davison's factory fire is said to have had something to do with the superintendent's resignation.

## ANOTHER BIG BILL AT OPERA HOUSE

Well, now for the final whiff of the merry variety, as this last half of the week will cease the vaudeville's glittering ensemble of all those who are good, bad and indifferent. But to leave this beautiful valley of quintessence a bliss until the mall season cometh upon us again. A congress of some of the very best features are assured and to take you into my confidence and not to have this get out too freely, I'll mention just what I heard the manager telegraph message from New York to-day for his show for to-morrow.

The feature act will be Hayden Bumar, and Hayden, those real vaudevillians, in a scampering, skipping, riotous medley of songs and frolics, it's a beam.

Then Ryan and Lee are a pair of some more funny people who can do all that is in the market to get your approval and win your kind applause. Dance and Lee, in the awfully funny skit, "Behind the Scenes," is one of those most hearty laugh getters. While Tamer, The Wizard on the Baby Grand Piano, will have you all upon the stage gathered around him spell bound at his marvelous execution.

Sugara and Parmelee are two kidding Komical Knock abouts, who'll just keep you in good humor all the time.

Well they may all talk about pictures, and that they have the best ones, but take it from me, you've never seen a real photoplay picture until you have seen ours. Don't be misled by those irresponsible imaginary conscience stricken people who try to imitate us. We lead and it's hard to get anywhere near our gait. Bye bye Rosie, the best time to sell American beauties is in January.

## MILLTOWN. FREIGHT LINE TO PASS THROUGH RIVA AVENUE?

MILLTOWN, April 9.—Surveyors were at work in North Milltown yesterday preparing a new route for the proposed freight line which originally was intended to cross South Millstone. It has been reported that trouble is being experienced in securing the desired land in other sections of the town, therefore, the line will branch off in a northerly direction before coming into Milltown, which according to yesterday's survey would bring it near Riva avenue, passing through the residential section.

One of the remodeled Trenton Fast Line cars arrived at the barns yesterday and it is expected that several others will follow this week. The remodeled cars are of heavier construction throughout and will be able to run at a much greater speed than the present ones.

William Fisher, the truck farmer adjoining the Borough had a narrow escape from a serious accident yesterday when his horse ran away. The runaway occurred on Suydam street, New Brunswick. The horse fell down while on a dead run and was badly bruised and the vehicle was somewhat damaged.

## QUIT CALOMEL!

Thousands Are Turning from This Dangerous Drug.

A Safe Vegetable Substitute is Olive Tablets for the Liver.

Dr. F. M. Edwards, a prominent physician of Ohio, has discovered a powerful laxative liver tonic in a combination of vegetable materials, mixed with olive oil, which is in effect almost exactly like the old and untrustworthy calomel, except that there are none of the bad after effects of calomel.

Dr. Edwards has long been a foe of calomel, though he recognizes its value along with its dangers. His distrust of the uncertain drug eventually started him years ago towards experiments with the view of discovering a substitute, and he is today in possession of the long-sought-for combination, which is in the shape of a little sugar-coated, olive-oil colored tablet.

The results of 17 years' experience and practice are embodied in these marvelous little tablets.

They are called Dr. Edwards' Olive Tablets. They oil the bowels, and their effect on the liver has been the means of relief to many of Dr. Edwards' regular patients as well as to thousands of others who have suffered and were afraid of calomel.

They are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of harmful impurities. 10c and 25c per box.
