CHEMICAL ENGINE DAMAGED ON WAY TO SMALL FIRE

SOUTH AMBOY, July 2 .- About eight o'clock yesterday morning a fire was discovered in the old Disbrow house on David street below the railroad tracks. It is believed to have been caused from a spark from a passing locomotive. An alarm was turned in from Box 36, and the firemen were quickly on the scene. After a half hour's work the gine was badly damaged on the way to the fire. When making the turn from Broadway into David street the firemen lost control of the machine and it crashed into the scales of Howell & Gordon, completely demolishing the coal bin and crippling the machine considerably Dr. Sagamore's medicine show has
